Suspended Platform

Company Profile

3S Industry Group INC. is a China-based leading provider of equipment and services for people working at height. Our products have been applied in 17 different industries and exported to more than 70 countries. Our core business is the wind industry. With our strong focus on R&D, we have been granted for more than 600 patents and obtained over 100 global safety qualification certificates. We strive to support our customers and makes a better future in the field of working at height.

Headquartered in Beijing, 3S Industry has Manufacturing Centers in Beijing and Tianjin. With wholly-owned subsidiaries in Dallas (USA), Hamburg (Germany), Chennai (India), Tokyo (Japan), Jaraguá do Sul City (Brazil), and Dubai (UAE). Our global after-sales service teams provide on-site installation and maintenance services for our customers around the world. This way, 3S Industry ensures quick and reliable technical support, offering one-stop-shop service for our customers.

With our 3S brand creed Safe, Simple, Specialized, we are dedicated to our mission of providing products and services that exceed customer expectations. We strive to make our products the best in their field. We use scientific and technological innovation to drive the development of integrative solutions that serve people working at height.

Suspended Platform

Suspended platform features time-tested technology and an excellent safety margin for reliable high-altitude use. It has an uncomplicated structure, long-lasting components (lowering breakdown risks), and modular design for flexible configurations to fit diverse projects.

Features

- Time-tested technology with an excellent safety margin
- Uncomplicated structure
- Long-lasting components
- Modular construction with multiple configuration possibilities

Advantages

- Rigorous safety and quality benchmarks
- CE Certificate
- Easy maintenance
- Adjustable length to suit different work sites

Benefits

- Versatile adaptation to different projects
- Enhanced safety
- Improved productivity
- Reduce installation labor and time

Product Specifications

Model	XP Series
Platform length	3+2m / 3+3m / 2+3+2m / 3+3+3+3m
Inside width (cm)	60
End stirrup max length (m)	12
Rated load (kg)	280-980
Dead weight (kg)	240-540
Standards	EN 1808
